

Notice to Players:

Along with general safety practices: promoting thorough hand washing, encouraging associates to stay home if they are sick, we have also implemented the following additional safety precautions as we navigate through this difficult time:

- Social Distancing: 6 feet of separation
- Hand Sanitizer is available throughout the facility.
- Associates are required to wear face masks inside.
- Guests are encouraged to wear face masks inside.
- All doors, counter tops, and other surfaces will be disinfected on a more aggressive routine basis.
- Customers are able to book online with an option to prepay.
- Credit or Debit Card transactions are preferred.
- Card Swiper will be placed on counter. Guests are to swipe their own card.
- Clubhouse is open at 50% capacity.
- The Restaurant is open for dining. Tables are spread out 6 feet apart.

We will also be taking the following precautionary measures on the golf course:

- We ask that our guests do not congregate with more than their foursome.
- Golf carts (steering wheel, seats, armrest) will be sanitized before and after each round.
- Individual golf carts are available for a small fee.
- Practice Balls will be in pyramids on the Driving Range
- No Bunker Rakes or Water Coolers
- Players are to leave Flagsticks in at all times
- Walking is encouraged both for social distancing and exercise.

Thank you for your understanding, cooperation, and support!
